

# 簡哲宏處長榮獲行政院公共工程委員會第17屆 公共工程金質獎個人貢獻獎

文圖/林清森 英譯/何美英

簡哲宏處長曾擔任本局北工處軌道工務所主辦、主任、工事科長、土木科長，工管處土建處課長、副處長與處長，中工處副處長，工程經歷豐富，工作內容自工程採購招標、施工監造、督工、督導、路線時程與施工經費規劃與界面整合。

簡處長民國76年即投入臺北捷運工程，擔任臺北捷運淡水線軌道工務所主辦及主任，完成國內第一條高運量捷運軌道工程，開啟國內捷運軌道建設。後續歷經捷運淡水線、新莊線、信義線、松山線、環狀線及萬大線等充滿高挑戰性的任務，均能如期如質完成交付之任務。在施工過程中兼顧安全及品質，所督導主辦之工程於各級施工查核中均獲得優異成績，曾榮獲第16屆行政院公共工程金質獎特優、第17屆行政院公共工程金質獎優等、混凝土學會混凝土工程優良獎、勞動部職業安全衛生優良單位5星獎、第19屆『國家建築金質獎』公共工程類土木工程組(隧道工程)之金質獎，更難能可貴獲頒該類組之全國首獎...等獎項。

簡處長為推動公共工程品管之輔導訓練活動，積極參與本局EMA工務管理手冊、品質管理系統程序書編撰修訂及人員訓練等工作，落實三級品管制度並協助本局續通過ISO 9001驗證任務。並曾擔任多屆本府施工查核委員與組長，參與本府公共工程工地品質之輔導與督導工作不遺餘力，提升公共工程品質，貢獻良多。

本局東工處簡哲宏處長(左1)獲頒第17屆公共工程金質獎個人貢獻獎

East District Project Office Director Jer-horng Chien Awarded Public Construction Commission Executive Yuan 17<sup>th</sup> Annual Public Works Golden Quality Award

Director Jer-horng Chien is currently serving as Taipei City Government, DORTS East District Project Office Director. Director Chien has 34 years of abundant engineering experience and has served Taipei DORTS for 30 years. During this time he has had excellent performance in implementing quality management systems for MRT projects and strict requirements for construction quality execution. In addition, Director Chien has abundant engineering experience in the procurement bidding, overseeing construction, supervision, guidance, route scheduling, construction costs planning, and interfacing.

In 1987, Director Chien served as the section chief of the Track Work Site Office for the construction of the Tamsui line and completed the railway engineering for Taiwan's first high-capacity MRT and commenced the construction of Taiwan's first MRT railway. Afterwards, the Tamsui line, Xinzhuang line, Xinyi line, Songshan line, Circular line, and Wanda line missions were full of heavy challenges, with all tasks being completed on schedule and in accordance with quality standards. He has been awarded the 16<sup>th</sup> and 17<sup>th</sup> Public Construction Commission Executive Yuan Annual Public Works Golden Quality Awards, the Taiwan Concrete Institute Award of Engineering Excellence, the Ministry of Labor Occupational Safety and Health Administration Five-Star Award of Excellence, and 19<sup>th</sup> Public Works Civil Engineering (for shield tunnel construction) National Architectural Annual Golden Award.

In addition, in order to promote guidance and training activities for public works quality control, Director Chien is an active participant in tasks such as the DORTS EMA Public Works Management Manual and quality management system procedures compilation and revision as well as personnel training in order to implement three-grade quality control system. In addition, Director Chien contributes to DORTS ISO 9001 verification task and assumes TCG Construction Inspection Committee Member over years, and spares no efforts in public construction quality inspection and surveillance.
