程道信副總工程司當選108年本府模範公務人員

文圖/程道信

程道信任職於本局第二區工程處副總工程司,主要負責督導捷運萬大-中和-樹林線第一階段工程臺北市段、信線線東延及代辦社會局大安老人日照工程等,積極認真負責,使工程均能順利推動,如在引進新工法方面,於大型水管切換時引進不斷水轉換閥工法,使大型自來水幹線遷移不會造成短期無水可用,嘉惠約50萬戶居民;在萬大線施工碰上古文化遺址時,主動充分溝通,較原預定期程提早完成遺址搶救,思考將運用文化遺產來活化裝飾車站,讓車站可以是交通樞紐亦成為地下博物館,不僅為工程界樹立新的典範,也讓我們能夠駐足,翻閱這片城市的記憶。

程副總工司對於施工品質及進度均嚴格要求,為避免因施工造成民眾危害方面,戮力在艱困侷限的施工環境下,趕工於防汛期前完成主要排水系統改道,避免兩季洪水帶來災害。也因應老年化社會督導老人日照及捷運車站無障礙電(扶)梯增設,並提早使用,創造年長者優良生活環境;且因程員優質人格特質及工作理念,協調中央及市府單位,減少巨額久懸帳款,制定標準作業流程及制式表格,提高工程標準與品質打造優質工作環境,及樂於無私經驗傳承,使機關內部更有效率,各方面均實能作為本府公務人員表率,致榮獲本府108年模範公務人員及於108年4月16日於市政會議上接獲市長頒發獎狀。

因程員表線極為優異,也陸續獲本府推薦參加108年行政院模範工務人員選拔及全國公務人員最高獎項「銓敘部公務人員傑出貢獻獎」選拔,其殊榮不僅代表對程員個人的肯定,也代表對本局所有同仁多年來對捷運工程默默貢獻的肯定,本局所有同仁均將秉持服務大眾之理念,持續打造已為全世界肯定之一流捷運系統。

程道信於市政會議獲頒108年本府模範公務人員獎狀

Deputy Chief Engineer Cheng Dao-Hsin Was Honored with 2019 Taipei City Government Model Civil Servant

Cheng Dao-Hsin is proactive in coordination, and keeps precise control over the critical part of construction so as to make construction progress smoothly. Furthermore, he has a high-quality personality and work philosophy for creating a quality working environment. By translating theory into action and the selfless inheritance of experience, Cheng Dao-Hsin has solved budgeting and engineering problems. He was therefore honored with the 2019 Taipei City Government Model Civil Servant, and on April 16, 2019 at a municipal meeting he received a certificate of merit from the Mayor. In addition, Cheng Dao-Hsin has also been recommended by the government to participate in the selections of the 2019 Executive Yuan Model Civil Servant and the 2019 Ministry of Civil Service Staff for Outstanding Contribution to Public Service, which is the highest national civil servant award.
