本府110年優秀工友-鍾國強

文圖/夏道明

鍾員育有一子一女,家庭和樂,熱愛旅遊及電影,自民國79年進入本局秘書室服務,於85年調派材料試驗課擔任試驗人員已達25年,嫻熟實驗室之土木、機械及化學等測試領域共41項材料試驗與認證規範,平日細心辦理各工程處及工管處執行工程材料二級品管抽驗之試驗作業,為本局中央實驗室維持認證及試驗報告公信力之重要成員,對於捷運工程材料品控卓有貢獻。

由於近年來本局人員陸續離退,因此諸多同仁需身兼數職,以持續業務推展。鍾員除執行試驗工作外,更 積極負責所轄試驗項目及儀器設備查證程序之編修工作,不僅需研讀相關試驗規範(含CNS、ASTM、

AASHTO等國內外規範),且需落實於試驗執行實務,以確保檢測公信與品質研判,工作表現遠超過工職同仁之職掌,對於試驗能力之傳承及本局材料品管專業技術之維持,貢獻良多。

除材料試驗及實驗室認證業務外,鍾員多次擔任法務部廉政人員訓練班之實驗室實地參訪課程講師,使學 員瞭解材料試驗流程及本局對材料品質的要求,有助於外界對於捷運工程品質管控之正面評價。

鍾員認真負責,對試驗工作有熱誠,且具有足夠專業技術,使其執行的試驗結果均客觀公正,此次能當選本府110年優秀工友,不僅是個人榮譽,也是對本局工管處材料試驗課工作團隊的一種肯定。

2021 Distinguished Maintenance Worker of Taipei City Gov Goes to Chung Kuo-chiang

Chung Kuo-chiang, who has a son and a daughter and is interested in travelling and films, began working at the Administration Office of DORTS in 1990 and was transferred to the Material

Testing Subdivision as a tester in 1996. This year marks 25 years of his working at the post. Chung specializes in laboratory testing for 41 materials in engineering, mechanics, and chemistry and their accreditation specifications. Chung persistently and carefully carries out his duty to perform sampling tests for the Tier Two Quality Control on construction materials from the project offices and the construction management division. Chung is an important figure in DORTS for maintaining the public credibility of the accreditation and the test reports from the central laboratory and an employee who has contributed exponentially to the quality control of construction materials.
