位於萬華區的東園國小以棒球聞名,如今東園國小捷運共構大樓,一棟嶄新融合棒球文化與綠建築大樓於 今年9月完工落成,將為學校新學期迎來嶄新的面貌!

本大棟為地下2層地上6層,與萬大線加納站B及D出入口共構,外觀透明的玻璃帷幕牆,球棒揮出的優雅 弧線融入建築立面,明確點現出東園國小的特色,將捕捉每一位行人的目光;其他立面則以彩色欄杆與白色仿 石漆呈現萬華地區早期農業的豐富色彩意象。

這棟充滿創意的建築物頂樓設有太陽能板,屋頂可收集雨水至地下室筏基,經過處理後為校園的草木澆灌。而建築物自動化設備管理系統BMS,讓學校能以有限的人力進行有效的設備管理。

共構大樓規劃了多項令人嚮往的設施,包括一座綜合球場、一座供學子盡情揮灑熱血棒球夢的室內打擊場,溫水游泳池讓孩子們盡情暢遊水中,而棒球典藏館將成為傳承棒球文化展示的重要殿堂。設有舞蹈教室和專屬教育空間更有助於孩子們全方位的發展,同時擁有237個座位演藝廳及設有地下二層汽車及機車停車場。也因為共構大樓與捷運萬大線出入口共構到站即到校的理想能夠實現。

這座絢爛多彩、擁抱棒球文化與永續綠能的校園,勢必將為萬華區注入全新的活力,也為萬華地區附近學校及里民提供運動場所的好所在!

Dongyuan Elementary School MRT Joint-Development Construction has been Completed

Dongyuan Elementary School is located in Wanhua District and famous for baseball, and the construction of Dongyuan Elementary School MRT joint-development building that combines baseball culture with green architecture, was completed in September of this year, beginning a new chapter at the start of the semester. The building exterior combines the curves of a baseball bat swing with the imagery of local agricultural colors and showcases the school's special characteristics. The building includes an indoor batting cage, multi-purpose sports courts, a heated swimming pool, a dance studio, and a performance hall with 237 seats. It is a joint structure with Wanda line Kalah Station exit/entrance B & D, which realizes the ideal of "arriving at school when you arrive at the station."
