圖檔	<p style="text-align: center;">洛黴欣 Lomexin Spray</p>  <p>The image shows two identical bottles of Lomexin Spray. The bottles are dark amber glass with black caps. They are positioned in front of a vertical ruler on the left and a horizontal ruler at the bottom, both marked in centimeters from 0 to 18. The vertical ruler indicates the bottles are approximately 8.5 cm tall. The horizontal ruler shows the bottles are about 4.5 cm wide. The label on the bottles is white with black text, including the product name 'LOMEXIN' and 'fenticonazole nitrate 2% - 15 ml'.</p>
