舊包裝圖示	新包裝圖示
 The old packaging box is brown with blue accents. It features the brand name 'AQUA EASY' in large letters, 'ANTISEPTIC SOLUTION' in smaller letters above '2%', and '克菌寧 2% 殺菌水溶液' in Chinese characters below. The box shows signs of wear and discoloration.	 The new packaging box is a lighter shade of brown. It has a similar design with 'AQUA EASY' and 'ANTISEPTIC SOLUTION' branding, along with '克菌寧 2% 殺菌水溶液'. The surface appears smoother and more modern than the old version.
