包裝異動公告-Sandostatin Lar 30mg inj(Octreotide)善得定長效緩釋注射劑

舊包裝圖示	新包裝圖示
 A photograph of the old Sandostatin LAR 30mg packaging. It is a white box with a red label. The label features the product name 'Sandostatin® LAR®' in blue and red, with 'Octreotide' and '30 mg' below it. A clear plastic window is on the left. Above the box, a ruler is placed horizontally, showing markings from 0 to 25 cm. A red box highlights the clear plastic window area.	 A photograph of the new Sandostatin LAR 30mg packaging. It is a white box with a red label. The label features the product name 'Sandostatin® LAR®' in blue and red, with 'Octreotide' and '30 mg' below it. A clear plastic window is on the left. Above the box, a ruler is placed horizontally, showing markings from 0 to 26 cm. A red box highlights the clear plastic window area. A red box in the top right corner indicates '封口貼樣式變更' (Seal label style change).
