## The contents of the service

### Employment Service and case management service

At Monga Employment Service Station, two professional counselors are allocated to help new immigrants, by offering one-to-one specialized individual case management services, guiding the job seeker throughout the entire employment process, from job seeking to steady employment. Moreover, each employment station provides employment services to foreign spouse and mainland China spouse who take the initiative to visit to our stations.

### Contact for Monga Employment Service Station:

Counselor for foreign spouse: 02-2308-5231 ext. 716  
Counselor for Mainland China Spouse: 02-2308-5231 ext. 703

### Vocational training consultation and recommendation

Provides information regarding vocational training courses, gives counseling services, and recommends you the training course that suits you the most. Such training course will be fully subsidized, and it helps you to acquire professional skills.

### Employment workshop for new immigrants

The employment service office found that most of the immigrants were not familiar with the working market, environment and culture in Taiwan while the office gave employment services to the new immigrants. So, the employment workshop is set up to help immigrants who are looking for jobs to adapt to the working environment in Taiwan in the earlier stage when they start working.

### Entrepreneurship workshop for new immigrants

If you choose to start an undertaking, we will assist you to enhance entrepreneurial knowledge and the ability of enterprise management by holding entrepreneurship workshop and series of entrepreneurship seminars. Besides, the employment service office also provides specialized one to one entrepreneurship counseling services to help you make your dreams come true.
