

English:

Please complete the check-up according to the items you need:

1. Room 33 on the SECOND floor for a doctor's examination.
2. FIRST-floor for pricing (or self-service pricing).
3. FIRST-floor radiology department for X-ray imaging.
4. FIRST-floor laboratory: blood draw and stool test.
5. FIRST-floor MRI area: dedicated toilet for stool sample collection.
6. A volunteer will take the stool sample back to the laboratory.
