Remark: ①The number of villages and neighborhoods in Taipei were adjusted in March 1990.

②The borders of the village in the table changed due to the Major Public Construction Projects of the Keelung River Straightening Reconstruction and the Daan Forest Park in 1994.

③In 2002 and 2010, according to the Local Government Act and Taipei City Management Ordinance on Administrative District and Boundary Adjustment, the Taipei City Government changed the village boundaries.

④The figures were computed by using the data at the end of the previous year as the denominator.
