

## Year of 2024 'Greater Taipei Water Source Homeland Tour Event' Date Announcement

The 'Greater Taipei Water Source Homeland Tour Event', highly popular among the public, is set to meet you in the colorful spring. Taipei Feitsui Reservoir Administration invites those who are concerned with water resource conservation and natural ecology issues to explore the water source homeland of Greater Taipei - Feitsui Reservoir.

This event starts with enjoying presentations or multimedia videos, followed by experiencing environmental education facilities at the Water Resource Hall. Then, professional volunteers will provide guided tours and lead the participants to hike to the dam, allowing them to experience the rich water resources and ecological environment of Feitsui Reservoir. Welcome friends who are interested in the activity to sign up for the event.

Please refer to the table below for the schedule and registration dates for each session of the year of 2024. Please register through the following website at the specified time: <https://activity.feitsui.gov.tw/>
