The 25th meeting of the Integrity and Transparency Committee in May 26th, 2020, hosted by Mayor Ke of Taipei City Government, with Department of Ethics presented the administrative investigation report in regards to the fire breakout which caused casualties in April 26th in the Cashbox Party World Co. Linsen Branch. The Fire Department and Construction Management department also put forward investigation review and strategic amendment proposals, which urges the central government amending relevant legislations while pushing for the safety inspection process to be revised root-to-branch and put into practice.
