

Simplified Table of the New Regulations of Traffic Violation Point System on June 30th, 2023

- Reaching 12 violation points within a year, driver's license is suspended for 2 months; if driver's license suspended twice within two years, it will be revoked if violation points are received in the future
- Reported cases that violate penalty point articles, for vehicles with no designated driver or responsible person, the violation points are given to the owner: For example, if the owner has no license, one vehicle violation is recorded. If the violations reach 3 times within 1 year, license plate is suspended for 2 months.
- If responsible person is an unnatural person renter (For example, renting vehicles from car rental company in the name of a corporation or agency), therefore violation points cannot be given out, a fine 2 to 3 times the amount will be imposed instead.

Common types of violation points for violations

| N0. | Types of violations | Violation points | Description of violation | Legal basis (Road Traffic Management and Penalty Act) |
