

Workshop “How to Do Business in India?” in Taipei

Introduction

In order to implement the New Southbound Policy issued by Taiwanese government, the newly-established Indian Resource Center for Economic and Industry-Academy Cooperation collaborates with Indian Education Society's Management College and Research Centre to hold a series of 3 workshops on "How to Do Business in India?" The first two workshops were held in Mumbai on September 23rd-24th and New Delhi on October 7th-8th of 2017. Soon we are going to hold the third session in Taipei on the 27th (Monday) and 28th (Tuesday) of November.

This time with the assistance of Taipei City Government and Taiwan External Trade Development Council, the workshop will take place at Taipei World Trade Center Exhibition Hall 1. It is our honor to invite a number of lecturers from Indian commercial circles to give speeches on the topics covering banking, finance, taxations, and human resource in India with their practical experience to give a conception for the Taiwanese entrepreneurs who are interested in investing and doing business in India.
