TAIPEI

GATEWAY TO ASIA

“Taipei is a short flight away to most major Asia-Pacific cities.”

Taipei, Your Top Choice in Asia

Asia will account for 53% of the world's population and half of global GDP by 2030, and Taipei is ideally positioned to help you take advantage of this growing market. Come see why Taipei may make the best base in Asia for your company or your dreams.

Why Choose Taipei?

Connected to the World in Taipei

- Ideal geographic location, neighboring China and Southeast Asia
- Two major ports (Taipei Port, Port of Keelung), two major airports (Taipei Songshan Airport, Taoyuan International Airport) offer quick connections to Asia and the world
- Perfect base for multinational corporations

Fast Access to Taiwan's Industrial Corridors

- Taiwan's most important transportation hub
- Taipei Metro, Taiwan high-speed rail, regular train service, long-haul bus service all converge here
- Can travel from Taipei to anywhere in Taiwan and back in a single day
- Major semiconductor, ICT, machinery and chemical clusters in Greater Taipei and Taoyuan no more than 2 hours away, forming highly competitive logistics corridor

A Great Business Environment

- Extensive range of global B2B (business-to-business) networks and robust supply chains
- Attractive spot for innovative startups and biggest domestic and international brands
- Home to Nangang Software Park and Neihu Technology Park, which form a strong ICT/biotechnology corridor
- Planned Beitou Shilin Science Park, "Eco-friendly Shezidao Project" to connect to and complete Taipei technology corridor, offering support for international firms

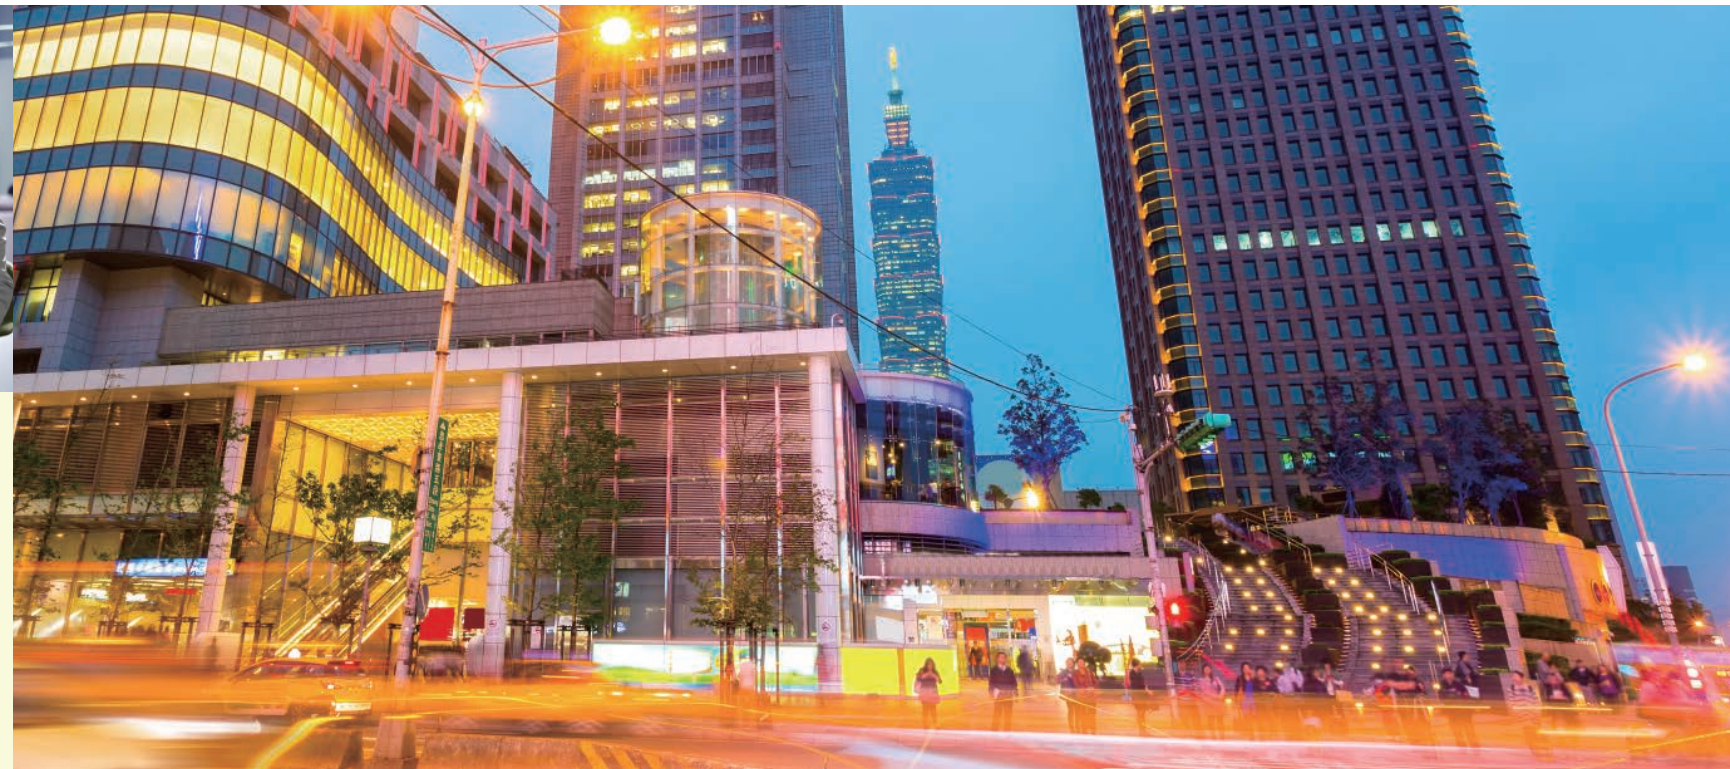

A Place where the Best Talent Converges

- Taiwan ranked 23rd in the world and fourth in Asia for talent in the IMD World Talent Report 2015
- Dynamic academic, research environment led by country's most prestigious research institution, Academia Sinica; complemented by several economic, industrial think tanks
- Sound education, vocational training system rounds out strong talent cultivation environment
- High caliber talent proficient in mobile internet technologies can fill talent needs of companies in IOT, ICT fields

A Safe, Stable Place to Invest

Taiwan has a transparent legal system supported by stable political and financial systems. The legal code protects human rights and personal freedoms at both the central and local government levels, and foreign nationals can launch new businesses with complete peace of mind.

Taipei, A Great Place to Live

An International City at One with the World

- World-class infrastructure
- A major international convention and exhibition center
- Low-carbon, energy-saving approach to all activities

Convenient Living, Friendly Services

- Convenient digital services through seamless communications network; FTTH coverage over 80% in metropolitan area, nearly 100% in city center
- Taipei fourth in Asia, 11th in the world among 41 cities in 2016 Networked Society City Index, which gauged sustainable urban development and ICT maturity
- More than 2,000 convenience stores in the city, averaging no more than a 5-minute walk away no matter where you are
- Four main convenience store chains keep stores open 24/7 and offer wide range of basic services

Top-notch Medical Care, Safe Living Environment

- Taiwan has internationally acclaimed medical services and universal health insurance system
- Excellent access to care; Taipei has more than 3,000 health institutions, including 8 medical centers, 7 regional hospital and 22 district hospitals
- Taipei ranked 5th safest city in Asia in the *Economist's* 2015 Safe Cities Index, reflecting its very low crime rate

Amazing Natural Beauty, Full of Culture

- Taipei packed with tourist destinations, natural attractions and historical and cultural sites
- Leisure activities in the mountains or by the sea accessible by public transportation within 30 minutes
- Wide range of museums, art galleries and cultural and performing arts shows day in and day out
- Plenty of shopping and entertainment choices and conveniently located exercise and sports venues to stay in shape
