

Notices Regarding the Trial Program for Passengers Travelling with Pet Strollers

1. To facilitate passengers travelling with pets and protect the interests of general passengers, Taipei Rapid Transit Corporation (TRTC) has decided to allow passengers to travel by metro with medium-sized pet strollers on a trial basis. TRTC established these notices (regulations) for passengers to follow.
2. Trial service period: From January 4 to July 5, 2020.
3. Access times:
 - (1) Access is permitted at certain Metro stations on Saturdays, Sundays, national holidays, deferred holidays, and flexibly adjusted holidays (designated workdays excluded). Station entry is permitted from 06:00 to the end of service.
 - (2) Other periods are not permitted. Any changes to the above policies will be publicly bulletined.
4. Stations allowing access: Entry and exit are permitted at a total of 19 stations from Tamsui Station to Zhongshan Station on the Tamsui-Xinyi Line.
5. Rules:
 - (1) Size limits for pet strollers (the cabin)
 - a. The sum of the length, width and height may not exceed 210 cm.
 - b. Passengers with pet strollers of which the sum of the length, width and height is between 175 cm and 210 cm may enter and exit the designated stations in accordance with regulations. The passengers are required to purchase a Single-Journey Ticket for Pet Stroller, which costs NT\$80 for one trip of unlimited distance for a single passenger and pet stroller. The ticket is sold at the information counter. Service staff shall guide the passenger to enter and exit the station through the Group Ticket/One-day Pass Entrance/Exit.
 - c. Passengers with pet strollers that exceed 55 cm in length, 45 cm

in width, and 40 cm in height and which the sum of the three sides is less than 175 cm may follow these notices to enter and exit the designated stations without having to purchase the Single-Journey Ticket for Pet Stroller.

d. Passengers with pet strollers which are less than 55 cm in length, 45 cm in width, and 40 cm in height may enter and exit metro stations according to the Regulations for Use of the Taipei Metro System.

- (2) The pet stroller should be assembled properly to make sure that no excrements or liquids can escape. The head, tail, and limbs of the animals may not be exposed outside of the confines of the pet stroller. A ticket is valid for one person with a single pet stroller.
- (3) Proper precautions are necessary to avoid leakage of pet excrement, foul odors and barking.
- (4) Passengers with pet strollers are prohibited from using the escalators and should use barrier-free gates to enter or exit the station.
- (5) Passengers with pet strollers are allowed to board only at either end of the train. They shall not occupy the space for wheelchairs and shall follow signs to wait for the train. If the train is too crowded, please wait for the next one.
- (6) Passengers with pet strollers shall yield to the elderly and passengers with strollers. They shall not disrupt the passage of general passengers.
- (7) Passengers with pet strollers shall bear legal responsibility for any damage to TRTC or third party property.
- (8) Passengers with pet strollers shall abide by the Mass Rapid Transit Act, Regulations for Use of the Taipei Metro System, and related regulations and notices of TRTC. In case of violation, TRTC may refuse to provide transportation in accordance with relevant laws and regulations.
