

Taipei City Implementation Plan for Covid-19 Vaccine Third Doses

The city will accelerate registration and vaccination
for Priority Groups 1 to 3.

Priority Group 1:

medical personnel (self-register)

Priority Group 2:

pandemic prevention workforces of
local governments (special registration)

Priority Group 3:

high-risk workers and those
traveling on official business (special registration)

Citizens and lawful residents who have **received their second doses over 5 months ago** may schedule appointments with **18 Taipei City clinics** for third booster doses (Moderna).
