

Safety Notices for Cases of Sexual Privacy Violation

Safety Notices

- 1、Upon extortion from individuals in possession of one's intimate photos or videos, **do not** consent to meeting in person, pay cash or produce and forward any more intimate material, in order to prevent causing greater harm to oneself.
- 2、Upon discovering one's intimate media posted online, write down the site name, address, chat group details and/or credentials of the account responsible for spreading said media, and present them as evidence to the police.
- 3、When met with emergency circumstances, call the 110 hotline immediately or seek refuge in the nearest police agency.
- 4、Aside from the police, one may also contact the following authorities in times of need：
