

Taipei City 2020 Academic Year Non-profit Preschool

Admissions Announcement (Simplified Version)

I. Target of Enrollment

- (I) Children with household registration in Taipei City (Children with indigenous status, children placed by the Social and Family Affairs Administration by law, or children of staff/ faculty studying in the same school are exempt from the household registration in Taipei City.)
- (II) Children with the residence permit.

II. Admission Age

- (I) 2 years old: born between September 2, 2017 and September 1, 2018.
- (II) 3 years old: born between September 2, 2016 and September 1, 2017.
- (III) 4 years old: born between September 2, 2015 and September 1, 2016.
- (IV) 5 years old: born between September 2, 2014 and September 1, 2015.

III. Documents for Registration Application

Those with household registration in this city must present the original household registration certificate. Children of foreigners and Chinese descent staying in this city must present the original passport and residence permit (school districts are divided based on the registered residence address). Each child is permitted to register in three kindergartens, and can only enroll in one kindergarten.
